Empowering Youth to End Domestic Violence

Education Group

for Teens Ages 12 to 17

***Family violence impacts everyone, including
teens at home, at school and in relationships***

We can help.

Teens meet with others who have experienced family violence.
Together, they learn

- how it can affect relationships with family and others
- power and control in relationships
- better ways to cope
- develop ways to stay safe from difficulties at home, school, and online

***Groups meet Thursdays, 4:00 - 5:30 pm at
Child & Family Center***

The groups are part of DIVERT (Domestic Intervention Violence Education Resource Team), which provides education and outreach about the many services offered in the Santa Clarita Valley. Participating agencies include Child & Family Center, City of Santa Clarita, L.A. Country Sheriff, Domestic Violence Center and College of the Canyons among others.
